Wt: 108 pounds

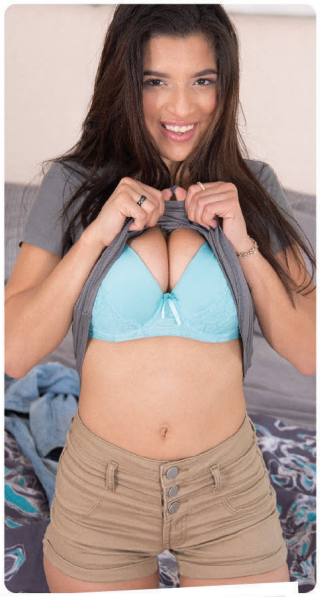
Bras: 36D

Panties: Thongs

Anal: Only with my boyfriend

BJs: I adore swallowing jizz

Masturbate: Yes



We asked Gabriella if anyone at home would be shocked to see her in our mag. "I was home-schooled, so I don't have a lot of friends to talk about this with. I'd die if my family found out, though! My dad would be so mad. But I'm living my best life, and I'm trying to have fun. My boyfriend is unsure about me doing this, but I promised him that I wouldn't fuck anybody. I'm only posing solo."

Slurp Up The Evidence
"My guy and I fuck outdoors all the time. We hike almost every weekend and we always finish up with a fuck session in a secluded clearing or behind a tree. We don't use condoms, so I always swallow his load to ensure easy cleanup."

This is a movie by Bush Baby fans, for Bush Baby fans. You won't find any smooth slits here. It's 100% bearded clams, fuzzy thighs, full panties and steamy masturbation. Our girls have hair so thick, you can practically smell their honeysuckle juices when you pop in the DVD. Watch as they strip off all of their clothes, tease you with glimpses of their panties barely containing their pubes, then spread their legs wide for toe-curling orgasms. You'll swear they are right there in the room with you, begging for your spunk on their wet cunts.

A movie for the beaver aficionado who can't get enough hairy cunt.

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

TIPS FROM A PORN STUD

In a conversation with one of our porn studs, we asked him why he is so successful with the ladies. Surely, we inquired, it wasn't merely the size of his cock. He responded that his massive dong didn't hurt the situation, but he added that his number one trick is his love of eating pussy. Naturally, we asked him for tips. Here they are.

1. **Keep at it.** Most guys don't spend enough time licking pussy. Think about how long you want your dick sucked before sex, and then double it.
2. **It's not all about the tongue.** Use your hands to massage her body, rub her thighs, squeeze her tits and finger her pussy. Make oral a whole-body experience.
3. **Don't treat it like a chore.** Whip up some enthusiasm to show her that you care about her pleasure. Compliment her on her body, and if she's moaning, tell her how sexy you find that.
4. **Don't stop.** This advice is two-fold. First, once you find a move she likes, keep doing it until she tells you not to. You've struck gold with that move, are you really going to try to find another mine? Second, if she just had an orgasm but she's still receptive to more oral, give her another round. Some women are blessed with the ability to have multiples. Don't squander that gift.

Our porn stud's #1 tip: Lick it before you stick it.

JOBS THAT GET YOU LAID

The top ten professions women want you to have.

You might think actors or models get all the girls, but according to a survey using data from Tinder, women actually prefer some more down-to-earth professions when choosing their sex partners. Here's the list.

Educators top our list of jobs that get guys laid the most.

1. **Teachers**
2. **Dentists**
3. **Speech pathologists**
4. **Interior designers**
5. **Event planners**
6. **Lawyers**
7. **Estate agents**
8. **Personal trainers**
9. **Nurses**
10. **Journalists**

PUT AWAY THE GUM

Your date is on her way over. You've showered and shaved. Maybe you lit a few scented candles and vacuumed your carpets. There's some mood music pumping softly through your speakers, and you're wearing your favorite shirt. Everything is perfect except for your breath. Maybe you overdid it with those garlic fries at lunch. Not to worry, you think. You've got some spearmint gum in your pocket. Stop. Put down the Trident.

A lot of the gum on the market nowadays is sugar free, but they use

Just spit it out already!

sweeteners known as sugar alcohols. That may be good news for you guys cutting your sugar addiction, but it's bad news for your sex life.

"Sugar alcohols are carbohydrates that are slowly and incompletely absorbed in the body," says Registered Dietitian Alicia Romano, MS, RD, LDN. "They are found in a number of sugar-free products, including gum. The most common sugar alcohols you will likely see include xylitol, mannitol, sorbitol, maltitol and erythritol. Fermentation and incomplete digestion of these sweeteners in the large intestine (colon) lead to gas, bloating, cramping, and diarrhea."

These effects vary from person to person, so maybe you're fine, but there's also the issue of farting.

Nothing can ruin the mood like a room-filling gas cloud. When you chew gum, your body begins to expect food. Your gut ramps up the production of enzymes to absorb nutrients that aren't coming, and that creates gas. You're also taking in a lot of excess air when you chew gum, and that air has to come out one of two ends, and neither end is optimal when you're getting hot and heavy.

Finally, peppermint has been linked to testosterone reduction in lab rats. These studies are numerous and widely believed to be conclusive, so much so that women who have elevated levels of testosterone commonly drink peppermint tea to lower their levels. That's fine and dandy for the ladies, but it's the last thing you want to happen before a roll in the hay.

If your breath is nasty before a big date, swig some mouthwash. You don't want to brush your teeth before or after oral sex because micro-abrasions and even minor gum bleeding can create a breeding ground for STIs. Sorry to be such a bummer, but we want you guys to be safe.

GO TO THE GYM... IN A MINUTE

The People's Champion, Muhammad Ali, was full of great advice. Our favorite is "Don't count the days. Make the days count." But The Greatest may have been mistak-

Get your sweat on in more than one way.

Work it out at home before you workout.

en when he once claimed that abstaining from sex for six weeks before a fight made him a better boxer.

The idea that shooting your load lowers your testosterone has been around since at least the ancient Olympics Games, and that advice has been passed down by athletic coaches from the pro leagues to high school ball ever since. But it looks as if the opposite is true.

Loads of journals have published articles linking sexual activity to a boost in testosterone, which in turn boosts athletic performance. And sexual activity doesn't necessarily mean intercourse. Research published in Hormones and Behavior suggests a couple of minutes looking at a porn mag just like this one can increase your testosterone in a way that improves your gym performance. The subjects of the research report had saliva samples taken after looking at porn for around four minutes.

Afterward, researchers and scientists found that along with the higher T-levels, the subjects also had an increased three-rep max doing squats. Now that's science you can use!

Jade

Denver, Colorado

Student
Age: 21
Born: May 12
Ht: 5'5"
Wt: 113 pounds
Bras: 34C
Panties: Thongs
Anal: I love anal play
BJs: I think it's required
Masturbate: Every day!

Good news! The last time we spoke to Jade, she was looking at grad schools in LA. She made up her mind to move to California, and we think shooting for us helped her choose. "I realized that I could make some extra money while going to school by shooting pictures occasionally. I'll have to hide it, though. I could lose my scholarship if the school finds out!"

She Needs The Connection

"I like hookups as much as the next girl, but nothing compares to making love with someone you really trust and love. I almost never cum during hookups, but I can't help but cum when I have sex with a boyfriend."

"As part of my degree program, I'm going to have to tutor incoming freshmen. I'm not planning on fucking any of the boys I tutor, but I've always had a fantasy of being a sexy teacher who screws all of her students. If the right boy comes along, I might have to indulge myself. I know it's probably a bad idea, but you only live once, right?"

Addee

Lansing, Michigan

Cashier
Age: 21
Born: August 23
Ht: 5'6"
Wt: 120 pounds
Bras: 32B
Panties: Bikinis or thongs
Anal: Not that into it
BJs: Cum on my face
Masturbate: Of course

We asked Addee what she was like growing up. "I was a good kid. I did my homework, helped my parents and had a strong group of friends that I really liked. I definitely would have never predicted that I would end up doing porn!" But here she is, masturbating on-camera for the first time. "I'm nervous, but I love masturbating, so this should be, like, second nature for me."

Put In A Little Leg Work

"When I masturbate at home, I rub my clit with my vibrator. Sometimes when I'm really horny, I'll finger myself for a long time and bring myself to orgasm nice and slow. It's more work to do it that way, but the payoff is awesome."

Sophia

Hollywood, California

Actress/server	**Bras:** 34C
Age: 18	**Panties:** Thongs
Born: September 12	**Anal:** Maybe
Ht: 5'8"	**BJs:** Swallow
Wt: 145 pounds	**Masturbate:** Yeah!

Sophia moved to Hollywood to become an actress. We're not sure she expected to find herself in a porno mag, but it will help her find acting roles. "I'm down to do porn," she told us. "Obviously! I'm here, right? I wanted to find a legit acting gig, but being a porn star would be cool, too. I really want to become famous."

"My friends tell me that I dress like a housewife when we go out. I normally wear flowered sun dresses and sandals. I don't act like a housewife, though! I'm all about having fun and adventures, especially in the bedroom. I love choking, hair pulling, slapping, biting, and fucking outdoors. My friends tease me for being such a slut. If us girls all go out dancing or something, odds are that I'm leaving with a stranger."

Get Your Sweat Going
"I played basketball in high school, and I fought MMA and Brazilian Jiu Jitsu for six years. I don't work out too much anymore because I get my workouts in the bedroom. Sex is the best cardio workout you can get!"

Di

Minsk, Belarus

Hotel clerk	**Bras:** 34C

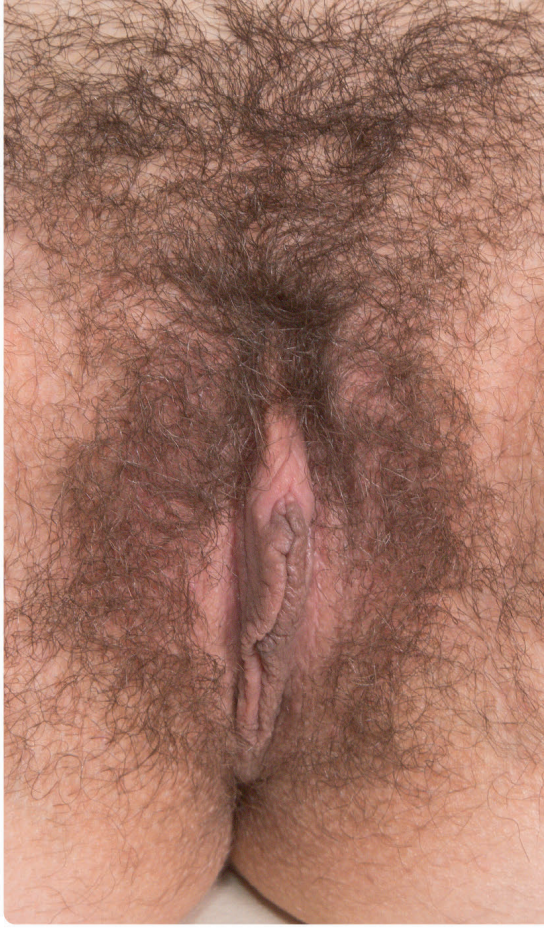
BUSH Baby

We have a photographer friend who retired in Minsk, Belarus because his dollar stretches further and the girls are young, easy and want to be spoiled. Di is one of those girls. She grew out her bush because our photog loves hairy pussy.

We featured Di in the Spring '18 issue of *Newcummers*. She had a great time seeing her pictures in the magazine and wanted to do it again. Our photog friend translated for us. "I felt like a real model," Di said. "I never thought I'd see myself like that. I looked so sexy! I felt a sense of pride in how I looked, and I bet all the guys loved seeing me."



Our Ears Are Perking Up
"I have included videos in my care package for you to use online. Although I like shooting pictures, I think the videos are so much sexier. I moan a lot when I masturbate, so your members can hear me as I make myself cum."

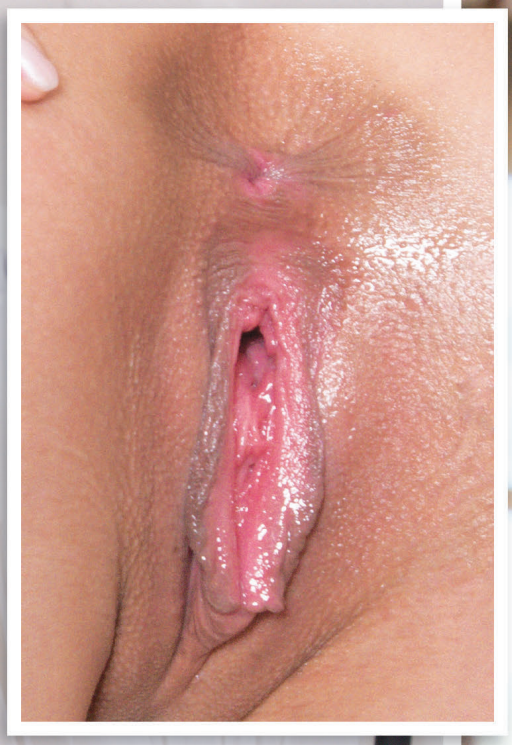
Vanna

Miami, Florida

Ballet instructor	**Bras:** 32B
Age: 19	**Panties:** Thongs or commando
Born: February 3	**Anal:** I love it
Ht: 5'4"	**BJs:** Swallow
Wt: 100 pounds	**Masturbate:** Almost every day

We asked tiny, little teenager Vanna to walk us through her decision to make her first porn. "I wanted to do something exciting, and I've always loved sex, so this makes a lot of sense. Ever since I lost my virginity, I've been a total cockwhore. The bigger, the better, in my opinion. I'm hoping porn provides me with a ton of fat cocks to please."

"I've always been a free spirit," Vanna told us. "I went to a performing arts high school that encouraged the students to make mistakes, work hard and experiment. I took that lesson to heart. I experimented with sex when I was younger and found out that I'm into some kinky stuff. I love bondage, gangbangs, rope play and lesbian sex."



Back That Ass Up, Vanna
"My favorite positions are cowgirl and doggie style because I can kind of control where the dick hits inside my pussy. If I arch my back when I'm getting fucked from behind, I can get the cock to hit my G-spot and make me cum."

VANNA
VOL. 25 NO. 1

"I was surprised your stud wanted to cum on my face. I offered to swallow his load, but he told me that guys watching porn prefer to see it all over the girl's face. That's crazy to me. I love swallowing cum, and that's what I prefer to do in my private life. I've never been turned down before!"

"I like older guys, but only to fuck around with," Natalie told us. "I find that older guys only want ditzy younger girls who don't know anything so they can teach them about the world to boost their egos. I'm smart, so I can't play the ditzy role well. Then again, older guys do know how to eat pussy, so that's fun."

That's What We Call An Airlock

"My favorite sexual fantasy is pretty wild. I want to get down on my knees and be surrounded by a bunch of dicks waving in my face. Then the guys go wild and start filling me up at the same time. I want one in my ass, two in my pussy and one in my mouth."

Spring is Cumming!

Our favorite season for outdoor fuckin' is right around the corner.

Winter sucks. The weather is shit, the days are short and girls wear heavy, unflattering clothes to keep warm. Well, good news! Spring is right around the corner, and along with the warmer weather, girls get friskier in the springtime. Enjoy a sneak peek of some lovely springtime fucking!

BIG LOAD. WRONG GIRL.

Listen, I know I might get a lot of flack for writing in with this story, but I think your readers will enjoy it. Just know that I already accept the fact that I'm an asshole and what I did was wrong, but I still want to share this little tale with you.

Around ten years ago, I had just got a promotion at work, I had been dating a woman for roughly two years, and I was making more money than I knew what to do with. At work, I had a new office and a team of interns to do my bidding. At home, my woman was thoughtful and sweet. Life was, simply put, going well.

Around a week before my 29th birthday, my girlfriend told me that her period started early and we wouldn't be having the wild birthday sex she promised me, but she would give me the blowjob of my life. I was disappointed but decided to make lemonade out of lemons by asking if I could give her a facial. She had never let me do that before, but I guess she felt bad for me because she accepted. In preparation for the day, I stopped masturbating to ensure I could adequately coat her lovely face. I'm the kind of guy who has to jerk off at least once a day or else I get grumpy, so this was a heavy-duty project for me.

Day one wasn't too tough, but by noon on day two, I was acting like an even bigger asshole than I usually am. I was chewing out my coworkers, and I even called my manager a dipshit to his face. Luckily, I had nailed a big sale and I got by with a verbal reprimand. But, that just illustrates how I was feeling. The most significant change in my demeanor was how I was lusting after every piece of ass in my office. One girl, in particular, caught my eye. Jessica. She was only 19, and she knew she had it going on. She was of average height, but all of her other proportions were ridiculous. Her tits were massive, and at that age, she probably didn't even need a bra to keep them up. Her hips were nice and full, and her ass was plump like a Georgia peach. She wore skirts to work every day, and when she'd bend

over, I couldn't help but stare at her magnificent backside.

By day six, I was a wreck mentally, but the image of my girlfriend's face covered in a tidal wave of splooge danced in my mind. I was so horny; I found myself absentmindedly pretending my stapler was fucking my Rolodex. I decided to take a nap at my desk to get my mind off of my balls, but that didn't work because my dreams were some of the smuttiest I had ever had. I imagined fucking my girlfriend in the ass, banging the hookers down on High street, and I had graphic memories of losing my virginity.

"Wow," Jessica exclaimed, waking me up from my siesta. "You must have been having a good dream."

I looked down and saw the hardest erection I'd ever had tent-polling my slacks. My vision was still fuzzy, and my mind was still half asleep, but I was sure I saw her flash a mischievous smile. As was second-nature by this time with Jessica, I quickly and inadvertently glanced down to check out her rack, but I was anything but stealth. She was staring right at me!

"Is that what you were dreaming about?" She inquired. "Because I just came in to ask where you keep your extra pens, but I don't think you're in any condition to stand up right now."

I was embarrassed, to say the least, but she was flirting pretty hard.

"It's my birthday tomorrow," I stuttered, unable to find anything else to say. "I'm saving my…" I trailed off. Why was I saying this shit? Where was my mind?

"Saving your what?" Jessica smirked with a twinkle in her eye.

"Forget it. That was inappropriate." I responded.

"Are you saving your cum? When was the last time you had an orgasm?"

"It'll be a week tomorrow. I normally jerk off at least once a day. I'm going crazy."

Jessica sidled up to my desk and leaned over, exposing her cleavage to an obscene degree. My cock swelled painfully. "I could help you out with your situation if you want. You could consider it a birthday present," she cooed, biting her bottom lip. I nodded, accepting her offer. She sashayed to close the door to my office, shaking her ass the entire way. I was stupefied. When she came back, she knelt in

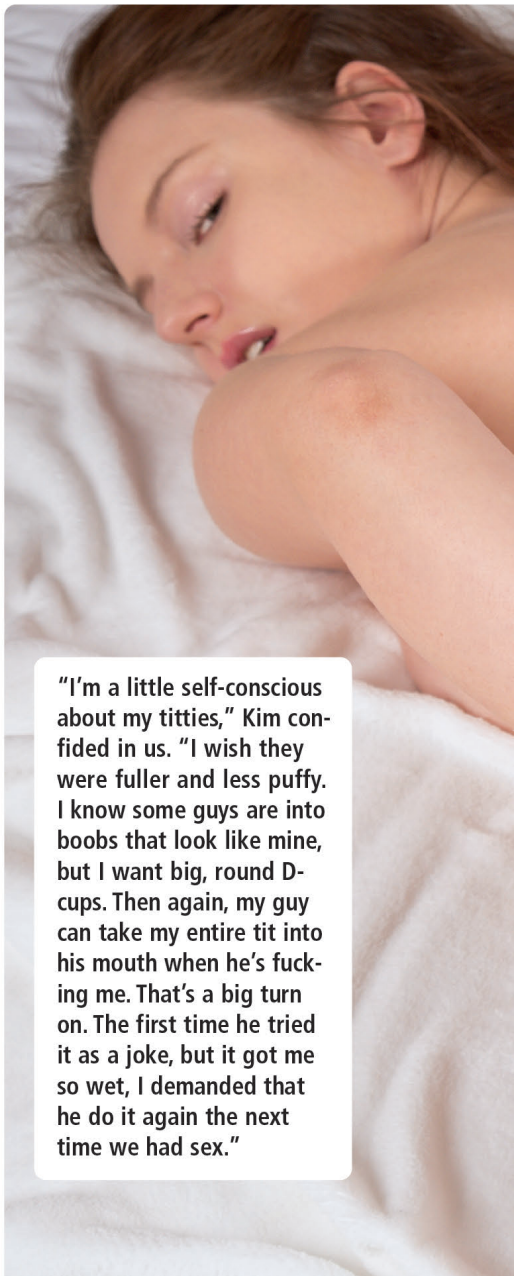
Panties: Comfy cotton
Anal: I've only tried fingers
BJs: Spit
Masturbate: It's my hobby

Lovely little Kim was listening to music while her boyfriend tinkered around with a camera he bought at a yard sale. "I kind of figured he'd want to take some pictures of me," Kim told us. "I didn't know he'd try to sneak pictures of my pussy from under my shorts! I decided it'd be easier if I just stripped."



"I'm a little self-conscious about my titties," Kim confided in us. "I wish they were fuller and less puffy. I know some guys are into boobs that look like mine, but I want big, round D-cups. Then again, my guy can take my entire tit into his mouth when he's fucking me. That's a big turn on. The first time he tried it as a joke, but it got me so wet, I demanded that he do it again the next time we had sex."

Anal Is In Kim's Future

"I've never had full-on anal because I'm scared about it hurting, but the idea does intrigue me. I've only ever messed around back there when I masturbate; slipping a finger in when I'm close to cumming. It feels strange in a nice way."

"Posing for these photos was a spur of the moment thing," said Courtney. "My guy took me to meet some of his cousins on their farm. They were having a BBQ out by a pond. I had to use the bathroom, so my guy took me into the house to show me where it was. He went into the bathroom with me and locked the door."

A Quick Bathroom Session

"I figured my guy wanted a quickie, but he started taking photos and I gave him a show. It was the first time I'd ever peed in front of a guy. Then we had a quickie! A few days later, I decided the photos might be okay to send in for the mag."

Violet is a newcomer with an innocent look that'll be right up your alley if you're into young, doe-eyed sweeties. But don't let her looks fool you, she's had some experiences. "I started off slowly," Violet told us, referring to her sex life. "I lost my virginity to my friend's older brother in high school. After that, it was off to the races."

"I had my first threesome somewhat recently. It was a wild experience. It was two guys and me. It started out with a makeout session, and I was taking turns on each guy. Then they took off my shirt and pants and one of them started eating me out while I sucked the other's dick. Then it turned into them Eiffel Towering me."

Aim High For Violet's Pleasure

"When I masturbate, I always use a vibrator on my clit. Penetration feels amazing, but it's hard to cum just from fucking myself. I always have to have my clit stimulated, otherwise I'll just be lying there frustrated forever."

This divorcee likes modest dates that end with orgasms, and wild parties that end with sex. "I once went to a house party and had sex with six other couples," she said. "I was the only single gal there. I had so much fun! I was eating pussy while getting fucked and sucking cocks while having my clit licked."

Replace Plastic With Cock

"Even though I use my vibe when I masturbate, I've started doing it a lot less lately. Maybe it's because I'm getting older, but I've been on the prowl for younger men, and it's easy to find one to use instead of masturbating."

front of me, resting her gigantic tits on my lap as she looked up at my face. I felt my dick strain and ooze precum in my pants. "I've wanted to do this for a while," she said, staring into my eyes. She undid my belt and popped the clip on my pants. As she slowly unzipped me, my dick sprung out like a Jack in the box. "Jesus," she exclaimed. "You really are eager!"

I nodded again, too shocked to verbalize how badly I wanted to cum. She placed her plump, young lips against the tip of my dick, kissing my bell end. A line of my sticky sap glistened on her mouth. She smiled and said, "Yummy," before she opened her mouth and took the first half of my rod into her throat. I let out a long groan, and she moaned, sending a humming vibration down my shaft. The sight of her wet lips sliding and bobbing on my cock almost made me bust right then, but I persevered. I didn't want her to think I was a one-pump chump.

She gripped the bottom of my dick and began to rhythmically jerk me as she sucked, suckled and slurped on the tip. Her spit was running from her mouth down to her hand, and she kept it nice and sloppy. Occasionally, she'd lower her head all the way down, deepthroating me with ease. I thought about my girlfriend once or twice, but I honestly couldn't feel anything except for sheer ecstasy at that point. As beautiful as a girl can look with a fat cock in her mouth, Jessica was that and then some. I noticed how pristine and perfect the skin on her face was. Ah, young girls really are great. I rested my hand on top of her head and gripped her ponytail tight. I knew I wouldn't be able to last much longer, so I gave her a good face fucking for a few seconds before I slid my cock out of her warm, wet mouth. I was going to jerk off until I came, but her hands swatted mine away. She grabbed my dick again, and she started jerking me off as fast as she could. Without much warning, my body began to spasm. Jessica grabbed my balls with her other hand and gently squeezed, milking cum out of my sack and onto her. The first spurt of the biggest load of my life landed on

her adorable nose. She laughed, and the second shot landed on her waiting tongue. She was shocked, but she smiled and said, "yummy," again. The third shot hit her chin briefly before sliding off and dropping onto her blouse. The fourth and fifth went into her mouth because she had begun to suck me again. Just the tip at first, then deepthroating my erupting cock and swallowing each successively smaller explosion of cum.

I was bushed. I collapsed back into my office chair and stared up at the ceiling. Jessica hadn't relinquished her strong grip on my dick, and she was still slowly stroking me. She wanted every last drop.

The next night, my doting girlfriend gave me a fantastic blowjob and let me spray her face, but it was nothing compared to the display I gave Jessica the day before.

I never told my girlfriend about my dalliances with Jessica, even though they continued for the rest of her internship. Eventually, my girl and I broke up for unrelated reasons, although I suspect she knew I wasn't faithful. I'm not good at hiding shit. And I still feel bad about cheating, but I still feel great about giving that young intern the cumshot of a lifetime. NN

We asked Kitty what she was like back in high school. "I was weird," she explained. "I liked being slutty and drinking, but I still got good grades. I continued that into college, where I graduated with a degree in psychology and another in sociology. I slept my way through school and still got As!"

"I probably shouldn't say this, but I find most of my hookups on a website that specializes in fetishists. I love meeting guys on there and getting into whatever shit they like. I dip my toes into their world, experiencing what gets them off, then move onto the next guy. I don't have any fetishes, but I respect other peoples'."
